March 2005 Newsletter

January Meeting Recap

A small number of residents attended the January 18 General Meeting. A representative from the Ward 6 Office told those present that the proposed WalMart market at Broadway and Rosemont is NOT a done deal. The city has not yet studied the effect it would have on traffic. Anyone who wishes to attend meetings concerning the issue can call Monique at 791-4601.

A new member of the neighborhood reported that his previous neighborhood maintained a list of reliable service people, and suggested that we might consider doing the same. The board is considering the idea. We will need input from the Wilshire residents. Call or e-mail with the names of good electricians, plumbers, landscapers, etc., or bring your list to the April Picnic in the Park.

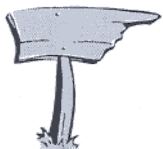

Coyotes have been seen frequently in the neighborhood, as well as a bobcat and a great horned owl. Do NOT feed them! Keep an eye on your pets and children. These are wild animals who travel the washes looking for food. If you see an animal acting strangely or who is not afraid of you, call Game and Fish at 628-5376.

Neighborhood Reminder: Per Tucson city code, unlicensed vehicles must be lawfully enclosed within:

- a) An enclosed garage or other permanent building lawfully constructed of opaque materials without openings, holes, or gaps other than doors and windows
- b) a carport, if an opaque car cover completely covers the body of the vehicle;
- c) any fence, wall, or barrier, not less than five (5) feet in height, constructed of opaque materials without openings, holes, or gaps other than gates or doors, completely enclosing the vehicle, and equipped with self-latching gates or doors.

Dues are collected yearly, and can be paid anytime! If you have not paid for 2005, you can send a check for \$10, made out to the association, to

The large wooden street signs at the entrances to North and South Wilshire need replacing. Any volunteers?
